

**American Public Transportation Association
Streetcar Subcommittee**

James Graebner, chair

Working group Meeting- Boston MA

APTA Rail Transit Conference

Boston Marriott Copley Place

110 Huntington Avenue

Boston, Massachusetts 02116

Sunday, June 15, 2:30 pm – 5:00 pm

(Working group meeting follows regular Streetcar Subcommittee Meeting 1:00-2:30)

AGENDA for Working Group Meeting

The purpose of this meeting is to conduct an intensive work session on the guideline document “North American Application of Modern Streetcar Vehicles” (<http://www.modernstreetcar.org/>). The first portion of the meeting will offer an introduction to the project and an opportunity for persons who may be new to the Subcommittee and its work to gain an understanding of our goals and objectives, and to review our progress to date.

1. 2:30 pm- Short break following conclusion of regular Streetcar Subcommittee Meeting, Introductions and Welcome for any new arrivals
2. 2:45-3:15 pm- Project Overview, Q&A
3. 3:15-3:45- Review Streetcar FAQ draft document. The purpose of this discussion is to serve as a “reality check” on the content of the final Guideline content.
4. 3:45-4:15- Review compilation of Carbuilder Survey vehicle data, Level Boarding Best Practices draft.
5. 4:15-5:00- Discussion of open issues (including vehicle/track interface issues, coordination with other committees) and discussion of format to be used for the Guideline document.

Attachments: Draft Streetcar Technical FAQ and Draft Level Boarding Best Practices document.
